Life just got easier...In your own home, in the neighborhood you love

NORC WOW was established nearly 20 years ago to help individuals aged 60 and above who reside in parts of Bellerose, New Hyde Park and Floral Park. Our social workers and nurses help residents in these communities with their ever-growing needs as they age in place. Services range from helping people understand the complexities of benefits and entitlements such as Medicare, Medicaid, and long term planning, to ongoing help from nurses who provide education, support and guidance in understanding health care and wellness. We also provide access to regular programming including health chats, seminars, exercise classes and social activities. If you are not yet a member of NORC WOW, or if you know of someone who can benefit from our support, please don't hesitate to call us. We are here to help!
